Clement: an important book that reads like a "non-fiction Detective story ... exciting, lively, very well-written"

British correspondent (Howard - no name)
"This is an impressive document which deserves to be read by those who followed the Warren Commission

Barber "a remarkable book ... reads like a detective story"

British publisher A "obviously a manuscript of great interest indeed ... excellence .... high quality piece of work ... intrigued

Chilton "honest & important"

Dr Spiegel "legally interested"

Cook "scholarly"

"Respectful of your materials" Pubnt

"superb piece of research" Good.

"extremely interesting" Vanguard

"fascinating" Chapman

I was put out, and made like some part in detective story

In spite of my dread for whatever of the O mystery I feel

you both very lovely, very kind letter,

important information

Keep up.

Howard - This is an important document which deserves to be seriously considered. Those who followed the Warren Commission - not my name
